## Central Child Watch Policies

### RESERVATION INFORMATION:

- Child watch is available to children from 12 weeks to 11 years old

### SAFETY PROTOCOLS:

- Staff are required to take their temperature and wash their hands prior to starting work
- Children may wear a mask, but it is not required
- Staff will clean and sanitize the room and toys before and after each shift and whenever necessary
- Any child exhibiting any of the following symptoms will not be permitted to enter child watch:
  - Fever of 100.4 or higher in the last 48 hours
  - Vomiting or diarrhea in the last 24 hours
  - Sore throat
  - Cough
  - Shortness of breath
  - New loss of smell or taste
- Staff will not change diapers or feed children
  - If a child needs their diaper changed, the parent/guardian will be notified
- Staff will minimize the use of shared spaces and items as much as possible
- No cribs, bouncers, swings, or saucers will be utilized

### CHECK-IN/OUT REQUIREMENTS:

- Parents/Guardians are required to check their children in and out on a laptop located at the entrance of the child watch room. A staff member will greet the parent, and assist the child with washing/sanitizing their hands
- Parents/Guardians are asked to leave as many personal belongings in their vehicle as possible
- Children are not permitted to bring in their own toys or food
- Children of age should bring their own water bottle, labeled with their name
- If a child is upset and cannot be soothed, the parent/guardian will be notified
- Parents/Guardians must remain on the YMCA premises and be participating in either a Y program or working out while their child is in child watch
