

Exciting Facility Upgrade in Progress!
JANUARY 28, 2026

We're thrilled to share that we're putting the final connections in place for our new hot water system at the East End YMCA! This is a major facility improvement that will bring more reliable comfort to our members.

To safely complete the switchover to our brand-new boiler systems, the East End YMCA will be closed:

Tuesday, February 3

The building will be open for regular business operating hours from 5:00 am to 9:00 pm

🚫 24/7 access- Building will close at 9:00 pm

Wednesday, February 4

5:00 AM – 2:00 PM

Important Access Update:

🚫 24/7 access will NOT be available beginning the evening of Tuesday, February 3, however will resume the evening of Wednesday, February 4 once the work is complete.

We truly appreciate your patience and flexibility as we complete this important upgrade. We can't wait for you to enjoy the improvements when we reopen!

Thank you for being part of the East End YMCA community
